AMMAN — The Information and Communications Technology Association has signed a memorandum of understanding with the Global Science and Technology Forum (GSTF) to enable companies in both countries to establish investment partnerships in the ICT sector.

The memo, which was signed on the sidelines of the Jordanian-Singaporean Business Forum held during His Majesty King Abdullah's visit to Singapore, provides an institutional cooperation framework between and the GSTF, the Jordan News Agency, Petra, reported.

The memo was signed by CEO Nidal Bitar and GSTF President Anton Ravindran, in the presence of Minister of Industry, Trade and Supply Tareq Hammouri and the Minister of Digital Economy and Entrepreneurship Muthana Gharaibeh.
